HOME ON THE RANGE

YOU'RE LUCKY when you live in California; still more fortunate to call Los Angeles home; and you are THRICE blessed if you can flash a cardinal and gray identification card that bears the legend: Student of John C. Fremont High School!

Basking in the sunshine or smothered by the smog, our Alma Mater represents the West at its best—the very epitome of the cactus culture and the sagebrush society.

Where else but here are there such wide open spaces? Why, it takes every bit of seven minutes to traverse the spacious grounds, and even then, the tardy bell sometimes beats us to the draw! Surrounded by citrus groves (a mere stone's throw from 76th and San Pedro) and movie sets (MGM's only a yip and a holler away, as you know), Fremont folks remain unspoiled! They are the smiling warm, hospitable friends who make you at home, here on our "range," from the time you enter to the day you—regretfully—leave.

The wide field and the sprawling outbuildings (pictured for you in the facing aerial view of the entire territory) hold many dear memories for old hands like us—and before we head out to pasture, we'd like to ride with you through the old corral.

So . . . git along, little dogies . . .

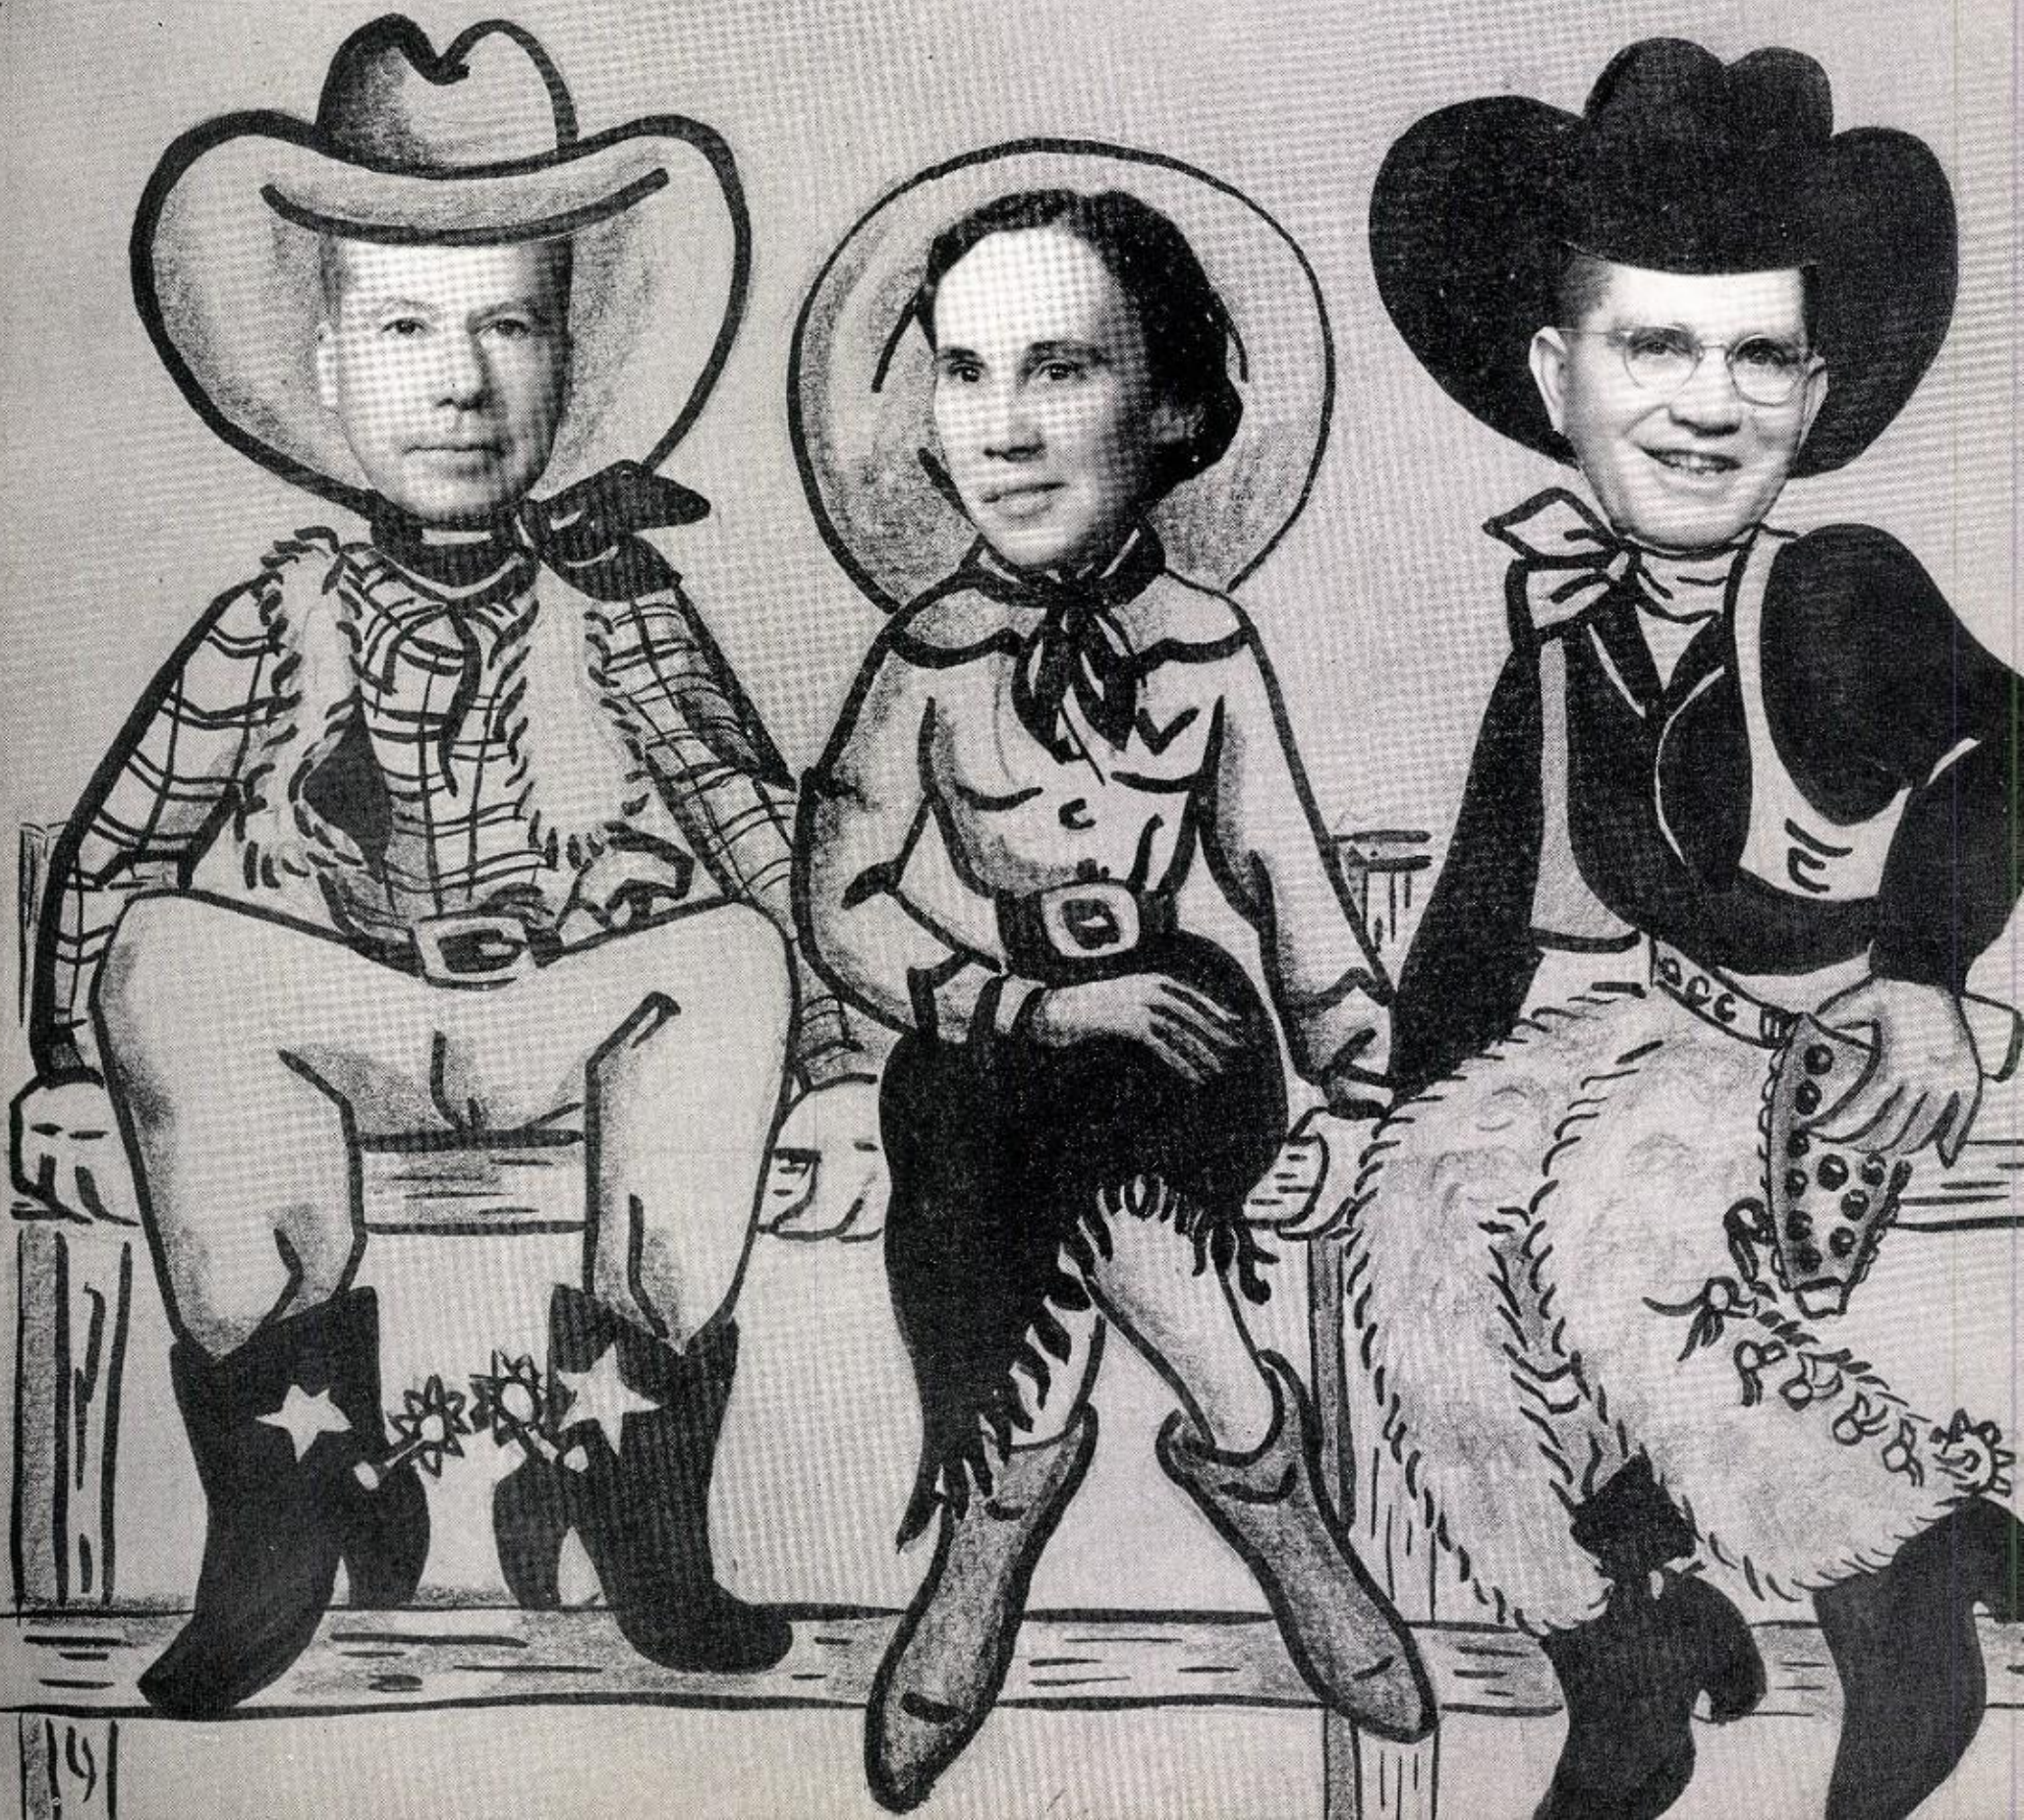

BOSS 'N FOREMEN

Herbert S. Wood, Principal

Frances Donovan, Girls' Vice-Principal

George Costello, Boys' Vice-Principal

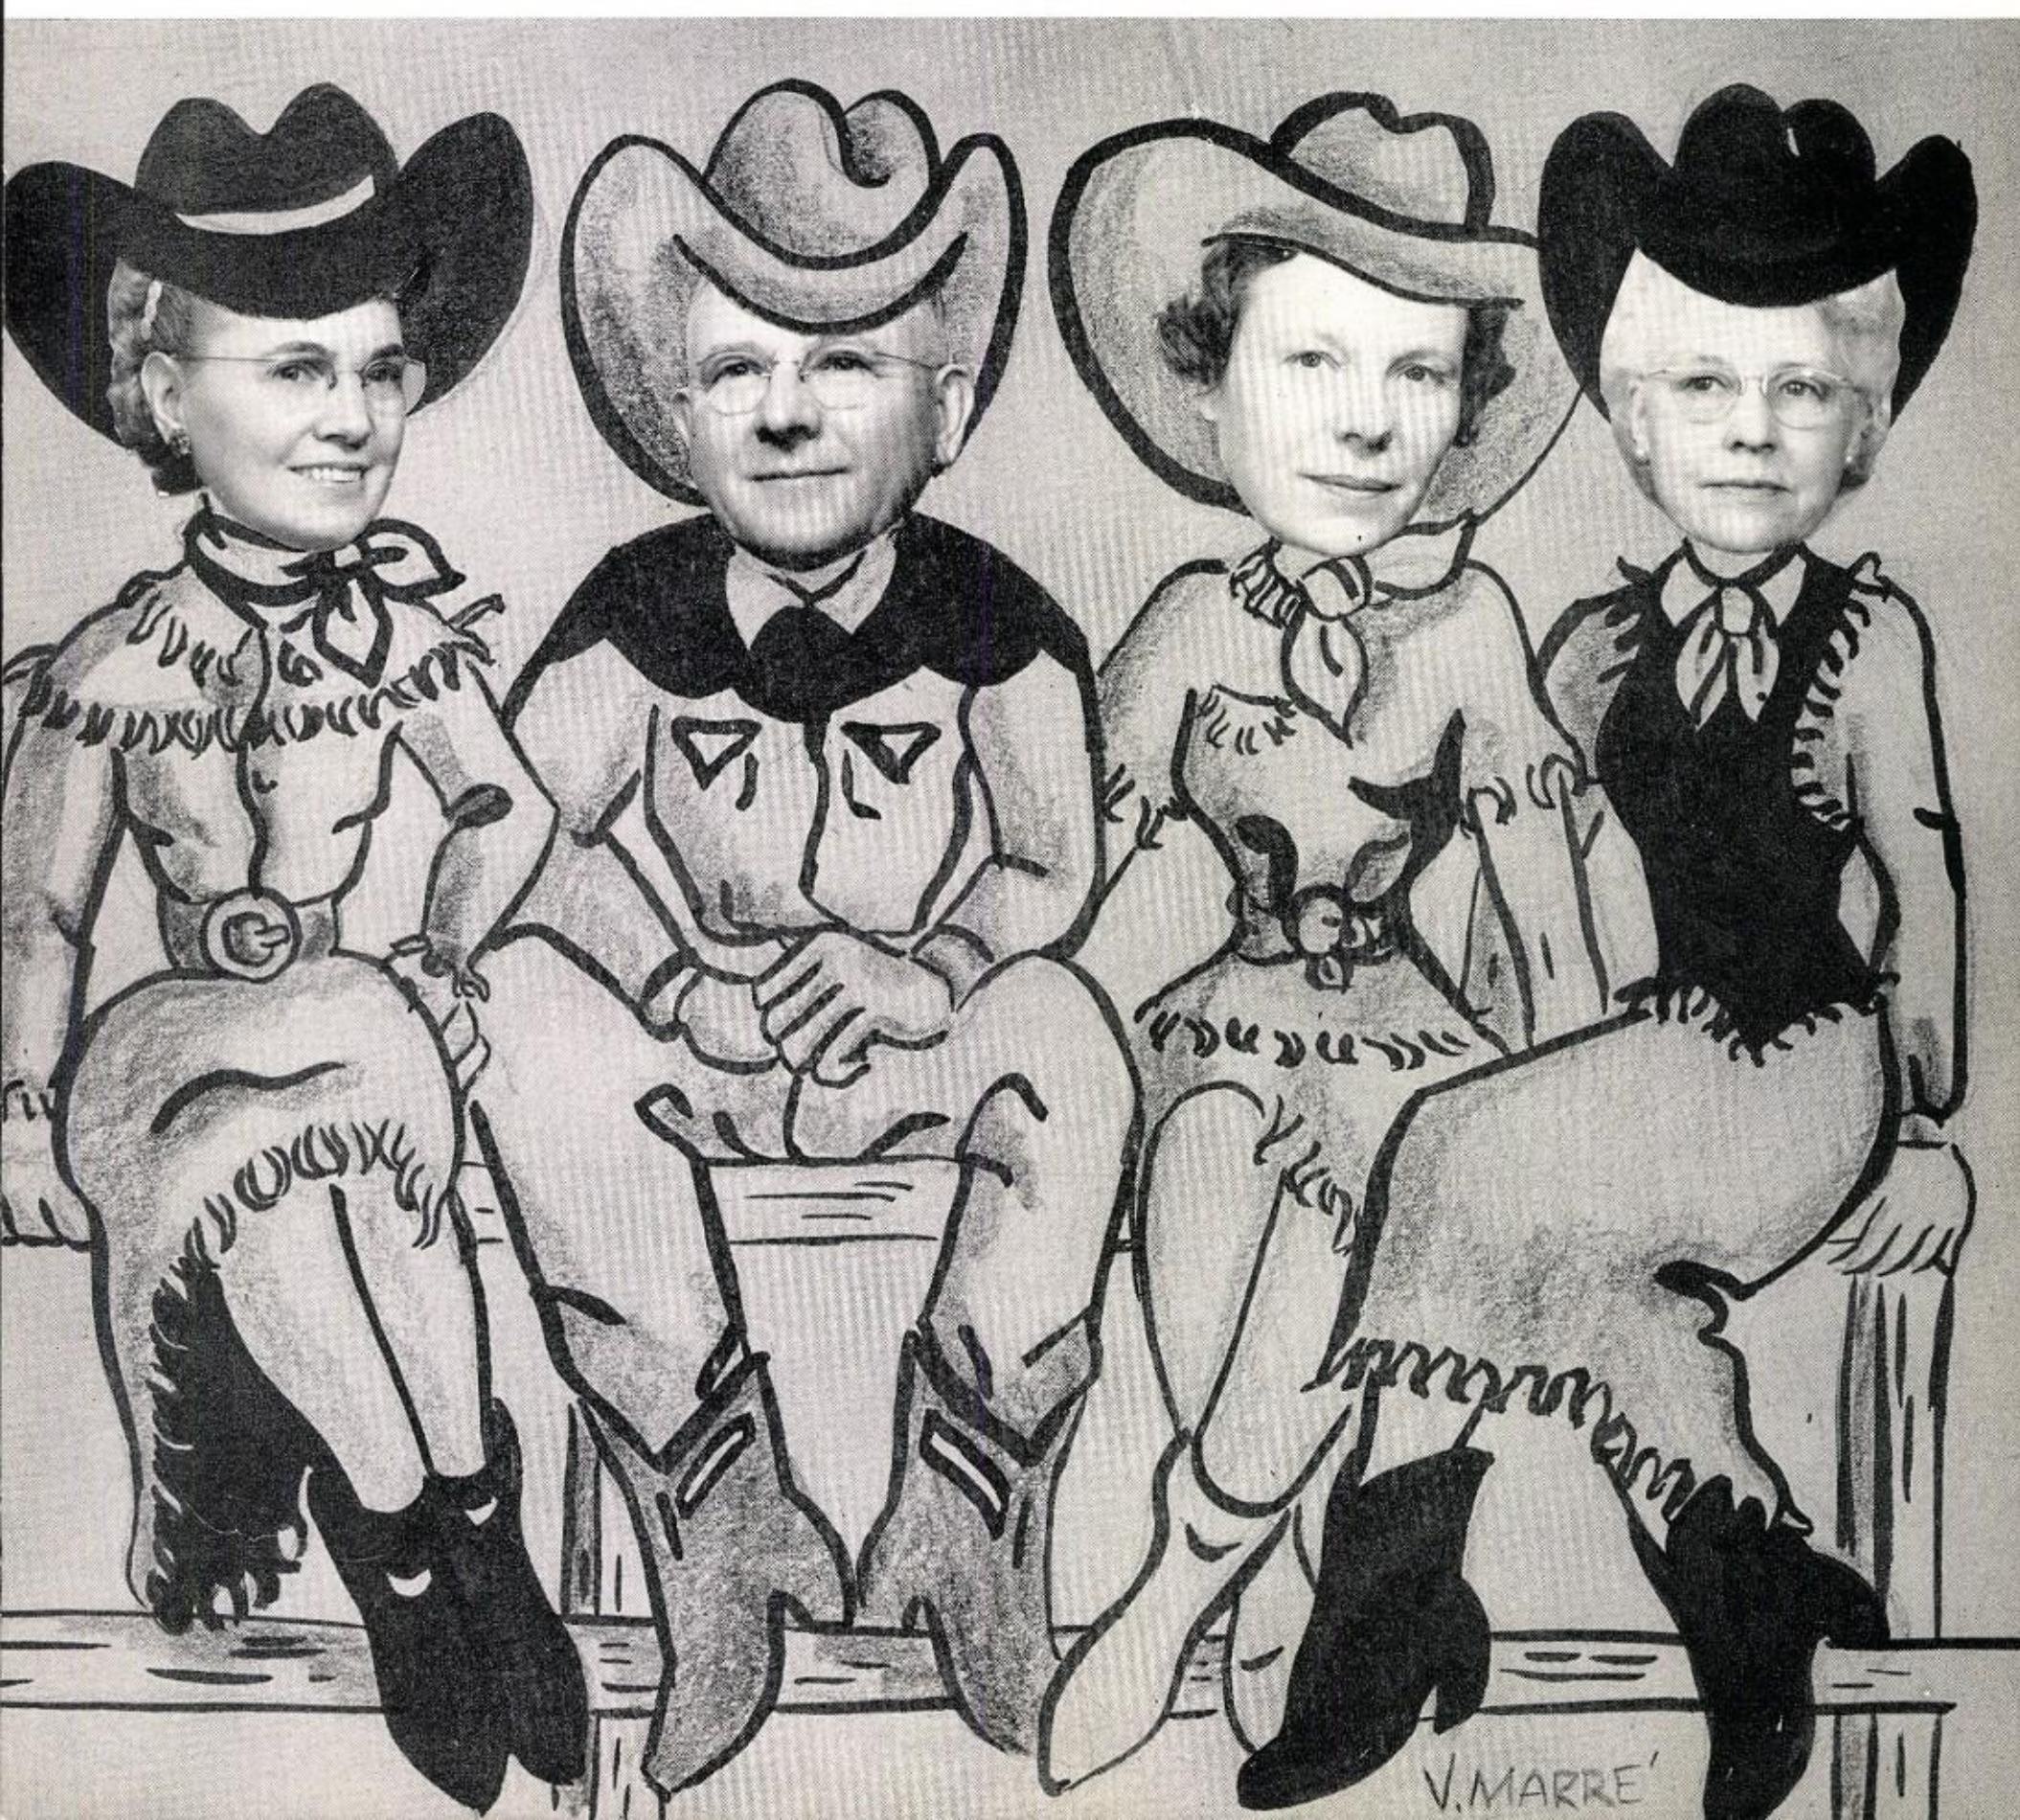

Overseeing the whole outfit are our very capable administrators, who left their myriad range chores long enough to hop up on the fence and "watch the birdie" for you. They have a tremendous job to do—and they do it with wisdom and understanding!

Depicting the various aspects of life at Fremont through their combined journalistic endeavors, the Fremontian staff and the Pathfinder staff work assiduously to bring you your yearbook and weekly, respectively. Learning the value of teamwork is one of the chief contributions made by membership on either staff, and the chief desire in the hearts of all the folks pictured on these two pages is that the student body be pleased with the final outcome of their efforts!

These members of Fremont's honor organizations were elected into their groups on the basis of outstanding personality and leadership, as well as scholastic ability. Knights and Al-Per-Le are two of the busiest clubs on campus, serving our school by ushering at all special occasions, by acquainting late entrants with Fremont's activities, and in various other ways. Scholastica (facing page) is made up of all Fremont students who earn three A's and one B on their report cards. The members of this club are often busy helping tutor our students who are not able to receive high grades in their classes.

Projection Crew, Winter

Important wranglers are these, who seldom appear in the spot light of a Fremontian rodeo, but have ringside seats just off the corral. Their job is to keep all productions running smoothly. These students acquire intimate knowledge of the backstage and projection arts, which is later useful in post-graduate work.

ACTIVITIES

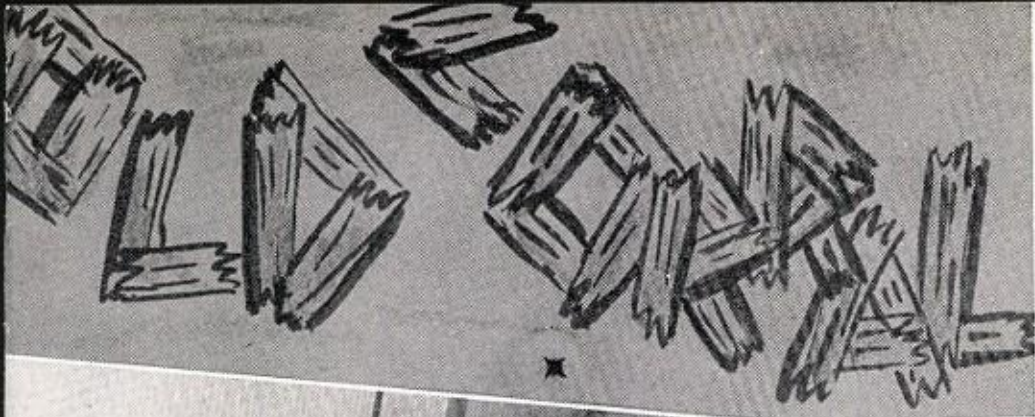

Just to remind you what a hard-working bunch we are, here are some classroom candidids: left to right, starting at the top, we come first to Miss Foreman's Basic Math class; then Mr. Teague's Cabinet crew; Miss McGee demonstrates her finest techniques to an interested Crafts class, while, immediately below, Miss Stack seems to be in a happy frame of mind—as does her entire Civics class!

Second row across: Miss Mohn's Life Science students find diagrams helpful; Miss Lamb dictates to a speedy group of sten-ogs; posture is the chief concern of Miss Sengel's shapely belles!

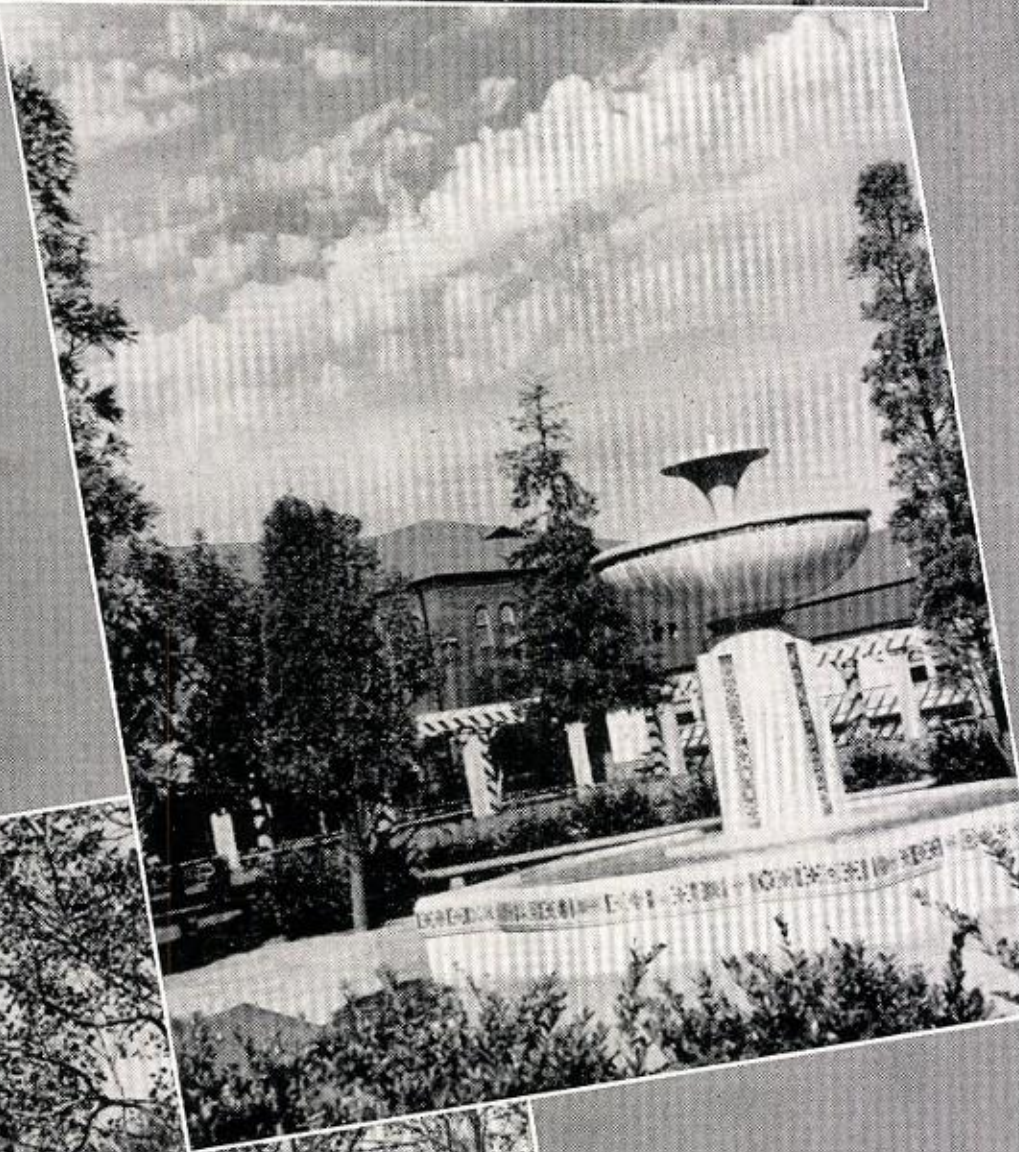

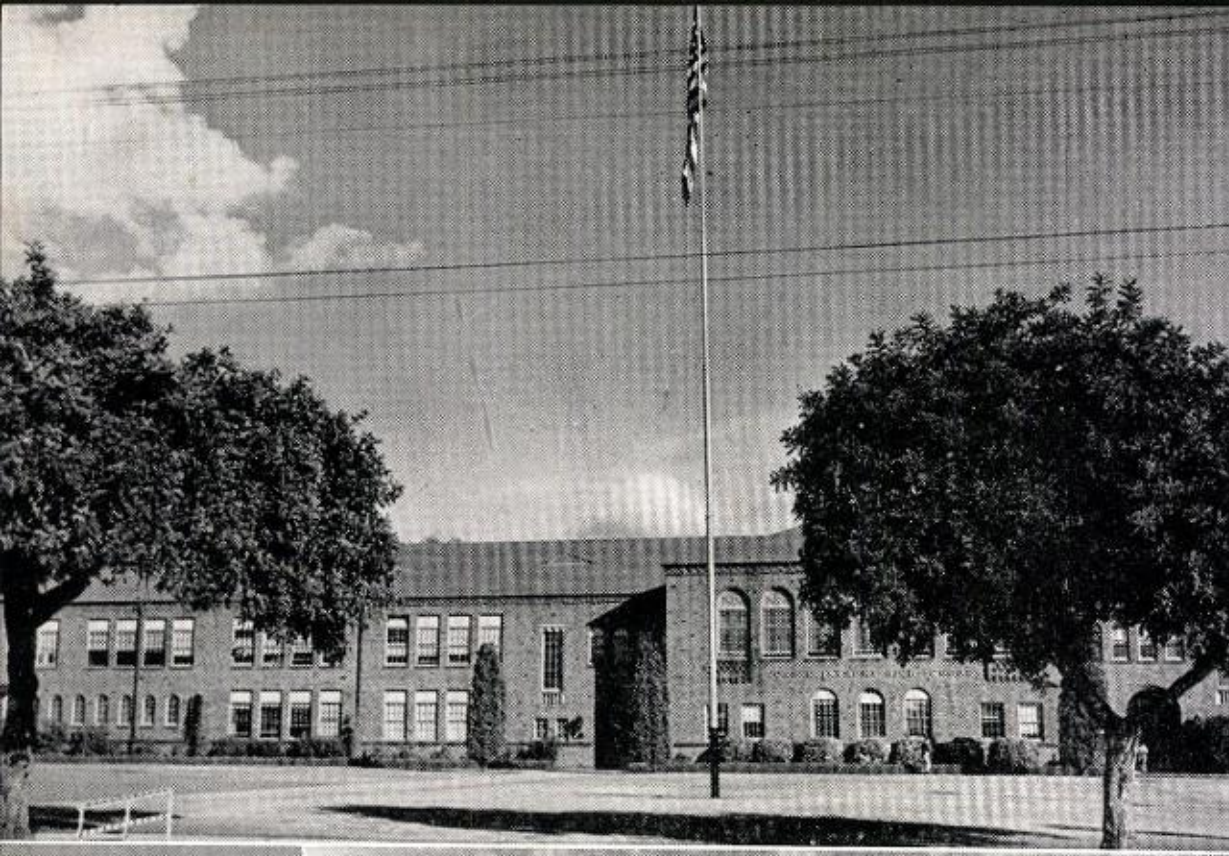

Bottom row: Mmmm! Whatever Miss Baker and Foods class are concocting it sure smells good; Miss Mitchell and Glee Club reach for that high C; and Mrs. Keirn's Spanish class learns that she still plays with dolls!

WHERE...

Say what you will, there's a soft spot in your heart for the "Ole Brickpile"—and years hence, you'll enjoy looking at these so-familiar scenes. From San Pedro Street, Fremont looks most impressive!

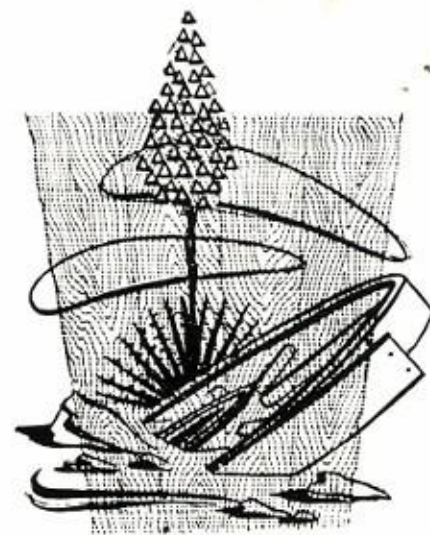

The tranquility of the bubbling fountain was always a source of pride as you paused to watch it while on a cross-campus errand.

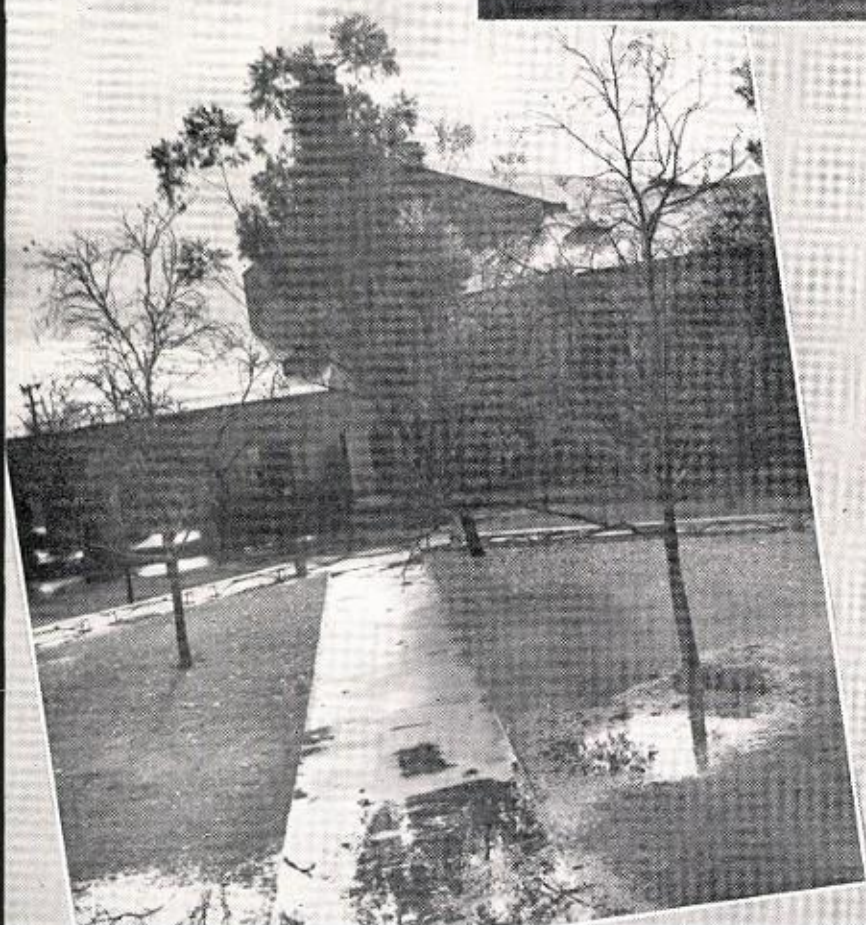

Sunny autumn days were pleasant, and the arcade shadows made interesting highlights on the lawn, where the leaves played hopscotch in the boxes!

...THE DEARS...

Even in the rain, the campus had a kind of majesty, and the sea-gulls often warned us of coming storms.

It took some fancy puddle-jumping to stay dry in January and March of this year—remember? But oh, how our garden grew!

Upper left: Student Council helps keep you up-to-date on the sports schedule. To their right: My, what a CLEAN locker! Below them: noon relaxation.

...AND THE ANTELOPE...

Upper left: the New Girls enjoy some top entertainment at their party. More New Girls' doings in the lower right corner. (Ice cream's swell.) The dressy bunch at the top of the page are the Fashion Show models, all decked out. Snazzy, what? For the scene pictured in the center, look out of any quad-facing window at noon!

...PLAY

STAMPEDE

Soft-soled shoes? Okay, you can join the Sports Night fun inside . . . Temperature elevated? Back home to bed! Santa Claus at Fremont!

Resting after the paper drive. Quite a haul!

C'mon out, the water's fine!

It NEVER rains in California! ... A new voting set-up this year: registration and polling booths.

Lunch and laughter ...

A few faculty candid:

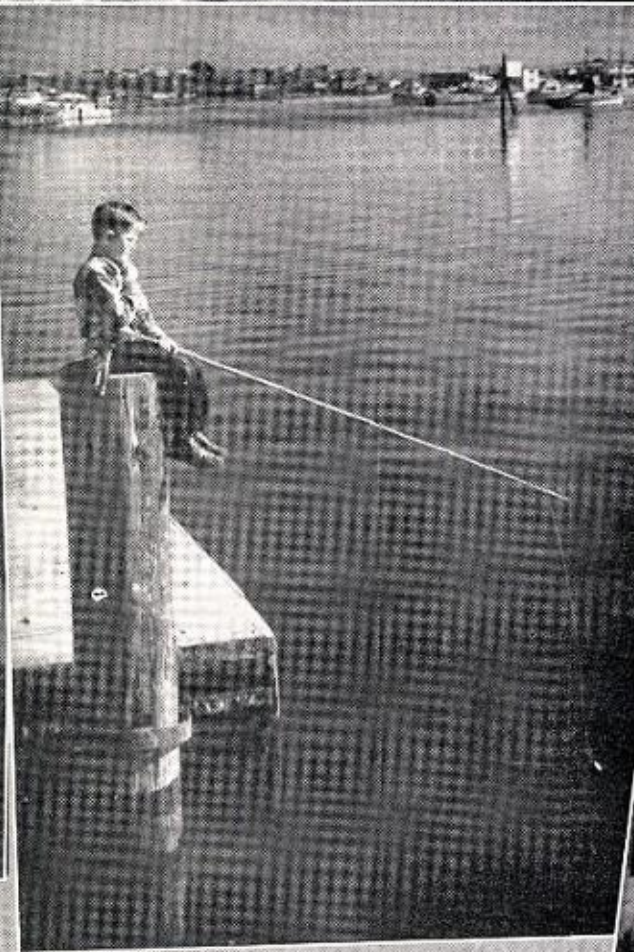

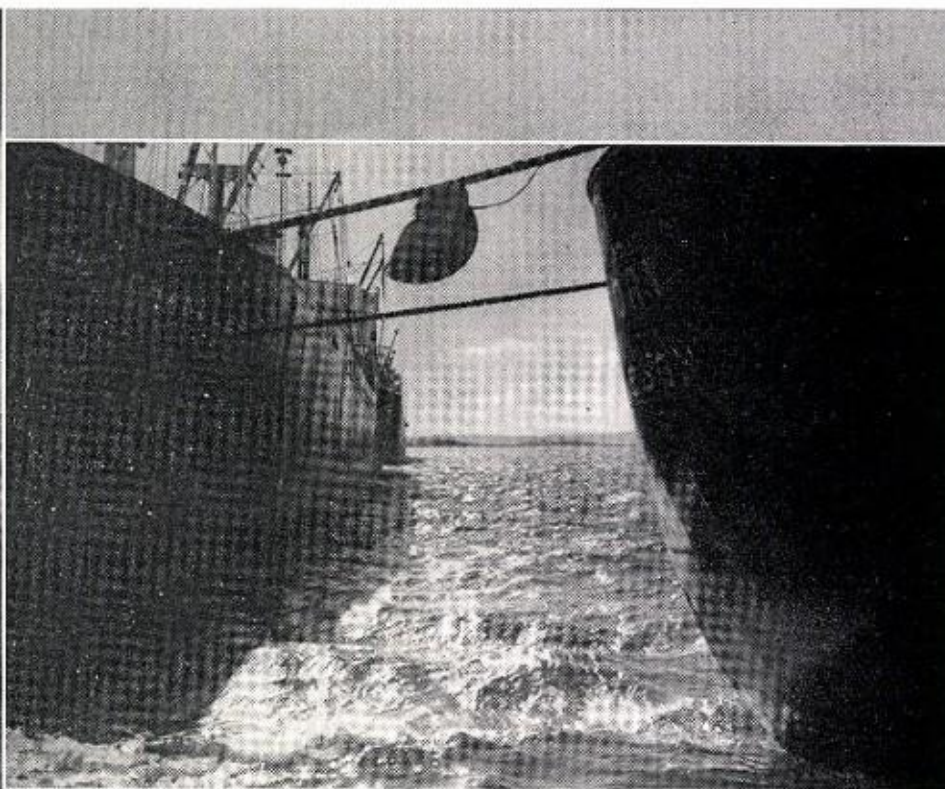

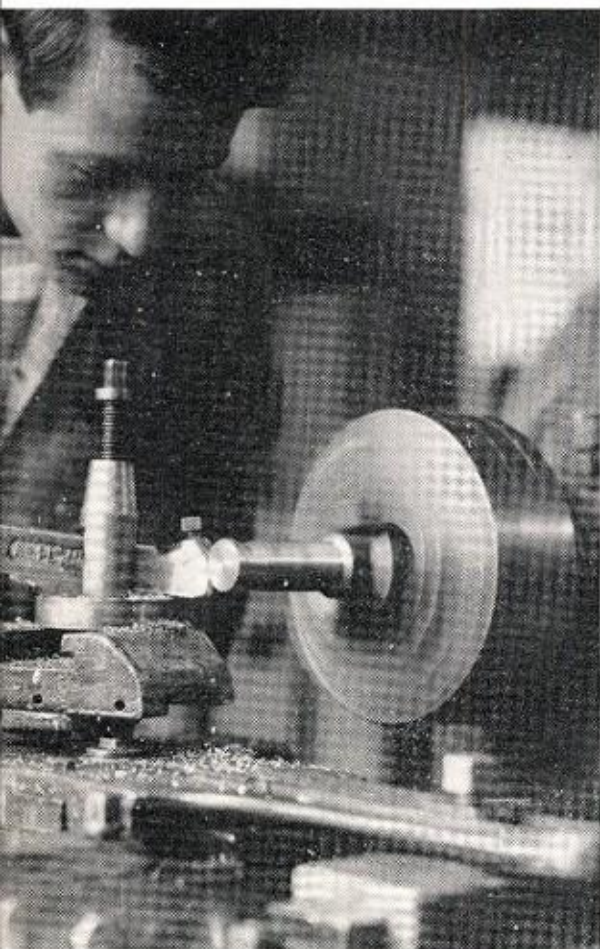

Mrs. Merkley and paper drive business . . . Nurse Olstad and the big "Ahhh" . . . Coach Tanner and Mr. Barkelew settling affairs of state . . . nothing stately about Mr. Betts in this get-up (during Faculty Frolics) . . . Coach Armstrong and Mr. Bach at the WRONG end of the alphabetical mailboxes!

BRONCO-BUSTERS

More faculty candid: Miss Mitchell's all smiles . . . as are Mrs. Carr and Mr. Klute . . . AND Mrs. Van Kirk and Mr. Misner, as they beam at the commercial machine demonstration . . . Even Mr. Mercer's happy . . . Some cheery faculty: not a frown in the lot!

PHANATICA

The Fremont photo department turns out some of the top photographers in the United States. Here are some samples of their handiwork.

Top row, left to right: Lathing Problem (Guss De Vore); The Hull Truth (Francisco Amador); Windjammer (Francisco Amador)

Bottom row: Low Tide (Nell Freeman); Gone Fishin' (Ronnie Church); Silence Within (Nell Freeman)

PHOTOGS

Top row: Together (Ronnie Church); Snowbound (Francisco Amador); Springtime (Ronnie Church)

 Bottom row: Starlite? (Ronnie Church); Waiting (Francisco Amador)

Have you ever read this?

"JOHN C. FREMONT HIGH SCHOOL... JOHN CHARLES FREMONT... MAJOR GENERAL U.S.A. ... EXPLORER... PATHFINDER AND PATRIOT... A CENTRAL FIGURE IN THE ACQUISITION OF CALIFORNIA... THE FIRST UNITED STATES SENATOR FROM THE EMPIRE STATE OF THE PACIFIC... PATRON OF SCIENCE AND EXPONENT OF THE HIGHEST AND BEST INTERESTS OF OUR CIVILIZATION... 1890."

FREMONT'S ALL RIGHT FROM ANY ANGLE

The Star-Spangled Banner . . . and youth . . . and books . . . and trees . . . and free blue skies!
Who could ask for anything more?

If it's our clean campus you're proud of, beam at this for awhile—trash cans and all!

One hundred and sixty strong, our Drill Team is often called Fremont's pride and joy. These females work hard to make each drill perfect. Drills are performed during half-times at Fremont's home football games.

On the opposite page are a few action shots of the various drills presented this year. To the far left (upper and lower) are photographs of the Toy Soldier drill. This performance required a change in the marching step, which never has been done before in our Drill Team's history. Upper center is the Washington "W" and to its right is the mighty Fremont "F." Lower right is the last event of the season, the Mothers' Review, when the senior girls were presented with their diplomas while their parents and friends proudly looked on.

COWBOYS' SWEETHEARTS

Any cowboy who had one of these rootin', tootin' girls for a sweetheart would really have to keep himself in shape, 'cause anybody knows Fremont's G.A.A.—er's are the roughest 'n' toughest, the fastest 'n' slickest cowgirls this side o' the Rockies. Basketball, tennis, ping pong, and speed ball—nothing's too hard for these quick-on-the-trigger lassies. There's a rodeo of fun every Monday, Tuesday, Wednesday, and Thursday, when these girls get together.

Under the supervision of Miss Betty Sikking and Miss Lela Sengel, with the skillful G.A.A. board taking care of the particulars, these girls operate one of the smoothest clubs on the campus. Their goal: to build better minds and bodies through sports and other interesting activities. Their annual playday is a roundup of fun, as Fremont's G.A.A. and the girls of competitive schools meet for games, food and frolic.

BATTLIN

VARSITY FOOTBALL SEASON

The season started with Fremont facing Santa Monica High, one of the toughest teams in the C.I.F. League.

After a scoreless first quarter Samohi took advantage of the Cards' fumbles. A pass and a jaunt gave the Norsemen a 7-0 lead at the half. The Vikings earned another 14 big points in the third frame, and 7 more in the last quarter to bring the score up to a substantial 28-0.

A Bradley-to-Contreras fling in the final stages of the game erased that stinging oval for the Pathfinders, and the struggle ended with the Pedro boys on the short end of a 28-6 count.

FHS's second practice game found them on the turf at Wrigley Field in a grim battle against Venice High.

After a frantic first half, during which neither team gained a tally, the Gondoliers' air power proved too much for the Detectors as two long heaves put the ocean boys in front 12-0 in the third period.

A Scout fumble in the fourth canto started Venice on a powerful ground attack after which the scoreboard read Venice 18, Fremont 0.

The Tannermen came close to teedee territory twice in the remaining minutes, but were unable to go the distance.

The Dixie League opener again found the Highwayhunters in trouble on Garfield High's terra, while they were still trying to recover from their two non-league failures.

Fremont's worry-thermometer rose from the very beginning, as a tremendous drive gave the Bulldogs six points in the first five minutes of play. After intercepting Doug Bradley's pitch, Garfield stomped over for the second time in the first stanza, and a good conversion raised the tally to 13-0. But the GHS squad still wasn't through, for they pushed across once more in the first quarter. (turn to page 62)

The Red Devils struck back hard as Bob Owens maneuvered his way home for the first Pathfinder score.

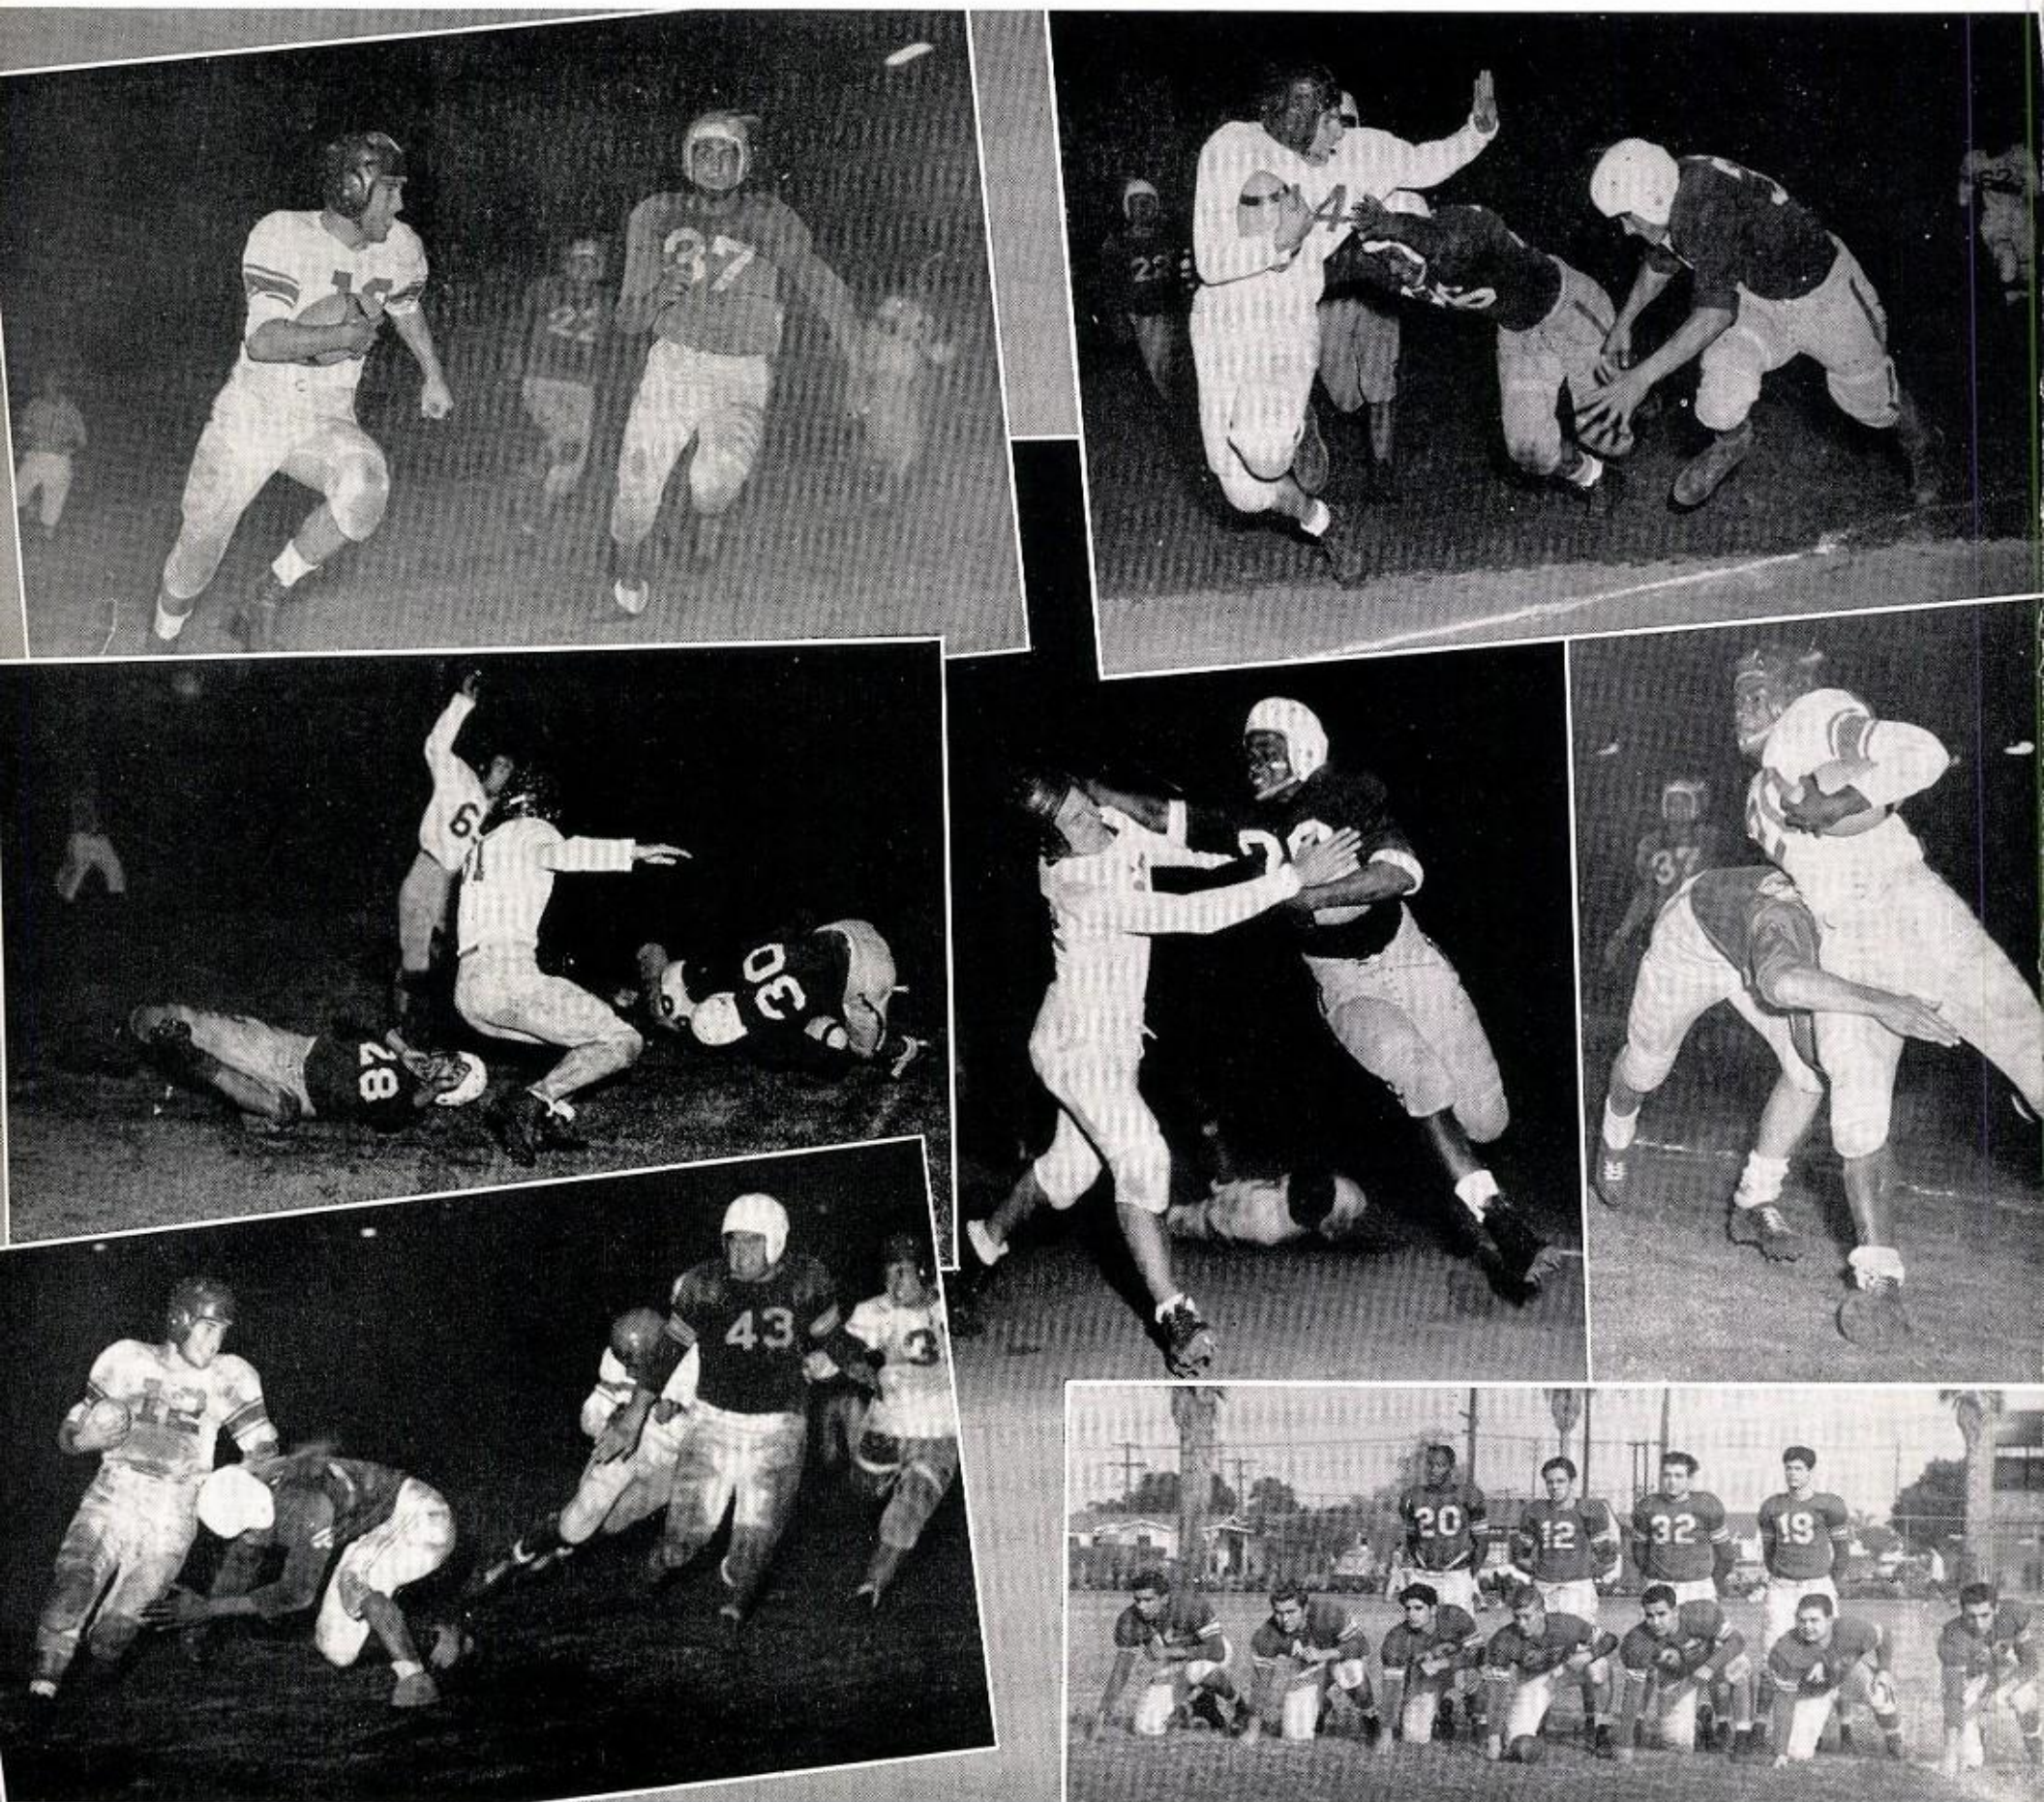

A heavy fog hid the Scout stampede in the third frame, which resulted in another Card score. The Bulldogs clinched the game with another touchdown in the last period, triumphing with a 25-12 score. It was an exciting battle.

"At last a light shone." The Pathfinders practically dominated the gridiron while visiting Roosevelt Stadium in the season's second league game.

Bob Owens (The Nemesis of Roosevelt) scooted onto "Countin' Mountain" twice for the seventy-six-streeters, to leave the Teddies trailing 12-0 at the start of the fourth stanza.

In the last period Bernard Bruce scampered ninety-one yards for Fremont's third teedee, and Ed Swanson's beautiful conversion helped the contest along. The Trailblazers walked away with a 19-0 victory under their belts.

"Find a Way or Make One"—and make one they did when the Road discoverers slapped the Washington Generals all over Wrigley Field on a beautiful moonlit night!

Despite the magnificent playing of the "Big Four" (Bob Mitre, Bob Owens, Dick Hill, and Gimo Alvarez) the Scouts were unable to score in the first period, but the second canto brought out the superior playing of the cardinal and gray squad, and Owens slid into the stripes for the first and only score PRECEDING THE INTERVAL!

With the Soldiers still trailing at the start of the fourth quarter the Roaduncovers took to the atmosphere. A 57-yard pass from Bradley to Owens hoisted the count. Swanson's bloop went between the crossbars for the extra point, to put the Scouts ahead 13-0.

The final minutes of play found the Armyemen again trying to kick out of a tight spot, but Card center Bill Tubbs blocked and recovered the hot potato on the Red and Blue two-yard marker, from where Bradley's quarterback sneak carried him into the registering area. The Explorers went home via the "Victory Trail."

The Pathfinders returned to the scene of their (19-0) crime against Washington to encounter the deadly Manuel Arts Toilers.

A powerful line consisting of Joe Pico, Bob Setran, Gilbert Contreras, Eugene Blodgett, Gimo Alvarez and Bob Jones held the Artisans scoreless throughout the entire conflict.

Both teams played pretty evenly until the third frame. **AND THEN IT HAPPENED!** Bradley handed the ball to Bernard Bruce on the Fremont 29-yard line, from where Bruce raced 72 yards to score. Bob Mitre helped the cause with a good conversion, and the San Pedro Assassins climbed another step on the ladder of success.

"But into each life some rain must fall." The Trailblazers ran into a stumbling block on the victory trail when they met the Jefferson eleven in a Milk Bowl bid on the Cards' property.

Despite Coach Tanner's explosive offensive unit, which marched 55 yards to pay dirt at the very start of the game, the dangerous Democrats dealt Fremont a low hand as they shuffled to a 32-6 triumph in the last Southern League tussle of the season.

LITTLE DOGIES

BEE FOOTBALL SEASON: After trouncing Samohi 20-7 and Venice 19-6, the Cardinals downed the Garfield squad and went on to face the Roosevelt Roughriders. Watson was injured at the start, and Green threw no passes that night, so the Roughriders smashed out a 19-2 victory over the Cards.

Bee Football Squad

Raul Aceves, Arthur Anderson, Nolan Ballin, Robert Berryman, Joe Borgogna, Ray Carreon, Rodney Cleary, Charlie Cobb, Bob Contreras, Oscar David, Charles Dean, Jesse Delgado, Jerry Eckmann, Alfonso Figueroa, Thomas Gates, Robert Guerrero, Marvin Jacobson, William Jimenez, Stan Jobe, Ronald Kelly, Earnest Seyva, Javier Lozano, Richard Lugo, Albert Martinez, Richard Martinez, Sam Martlaro, James Matthews Jr., Richard Murphy, Ronald Murr, Art Reyes, James Reynolds, Ted Rhodes, Gilbert Rodriguez, Gilbert Salas, Don Smith, Ronnie Smith, Steve Soqui, Morris Stapler, Gary Steele, Bob Stephens, Don Storey, Beverly Thompson, Eddie Wheelus, Joe Zvonek, Richard Barton, Ray Malcom, Harold Wilson, Robert L. Taylor, Bob Watson, George Williams, Marvin Williams. Coach: Mr. Frank Nobbe.

However, at Wrigley Field, the Bees took their previous mishap out on Washington. The Soldiers held back the Scout triple threat (Martinez, Figueroa, and Lozano) in a scoreless first half. In the third canto, a Figueroa-Evora fling was good, and Armando ran 49 yards for seis puntas. Lozano kicked and the score was 7-0.

Another Figueroa-to-Evora pass added injury to insult, and Don Storey repeated the process with a throw to Steve Soqui. Scoreboard: Fremont 19, Washington 0.

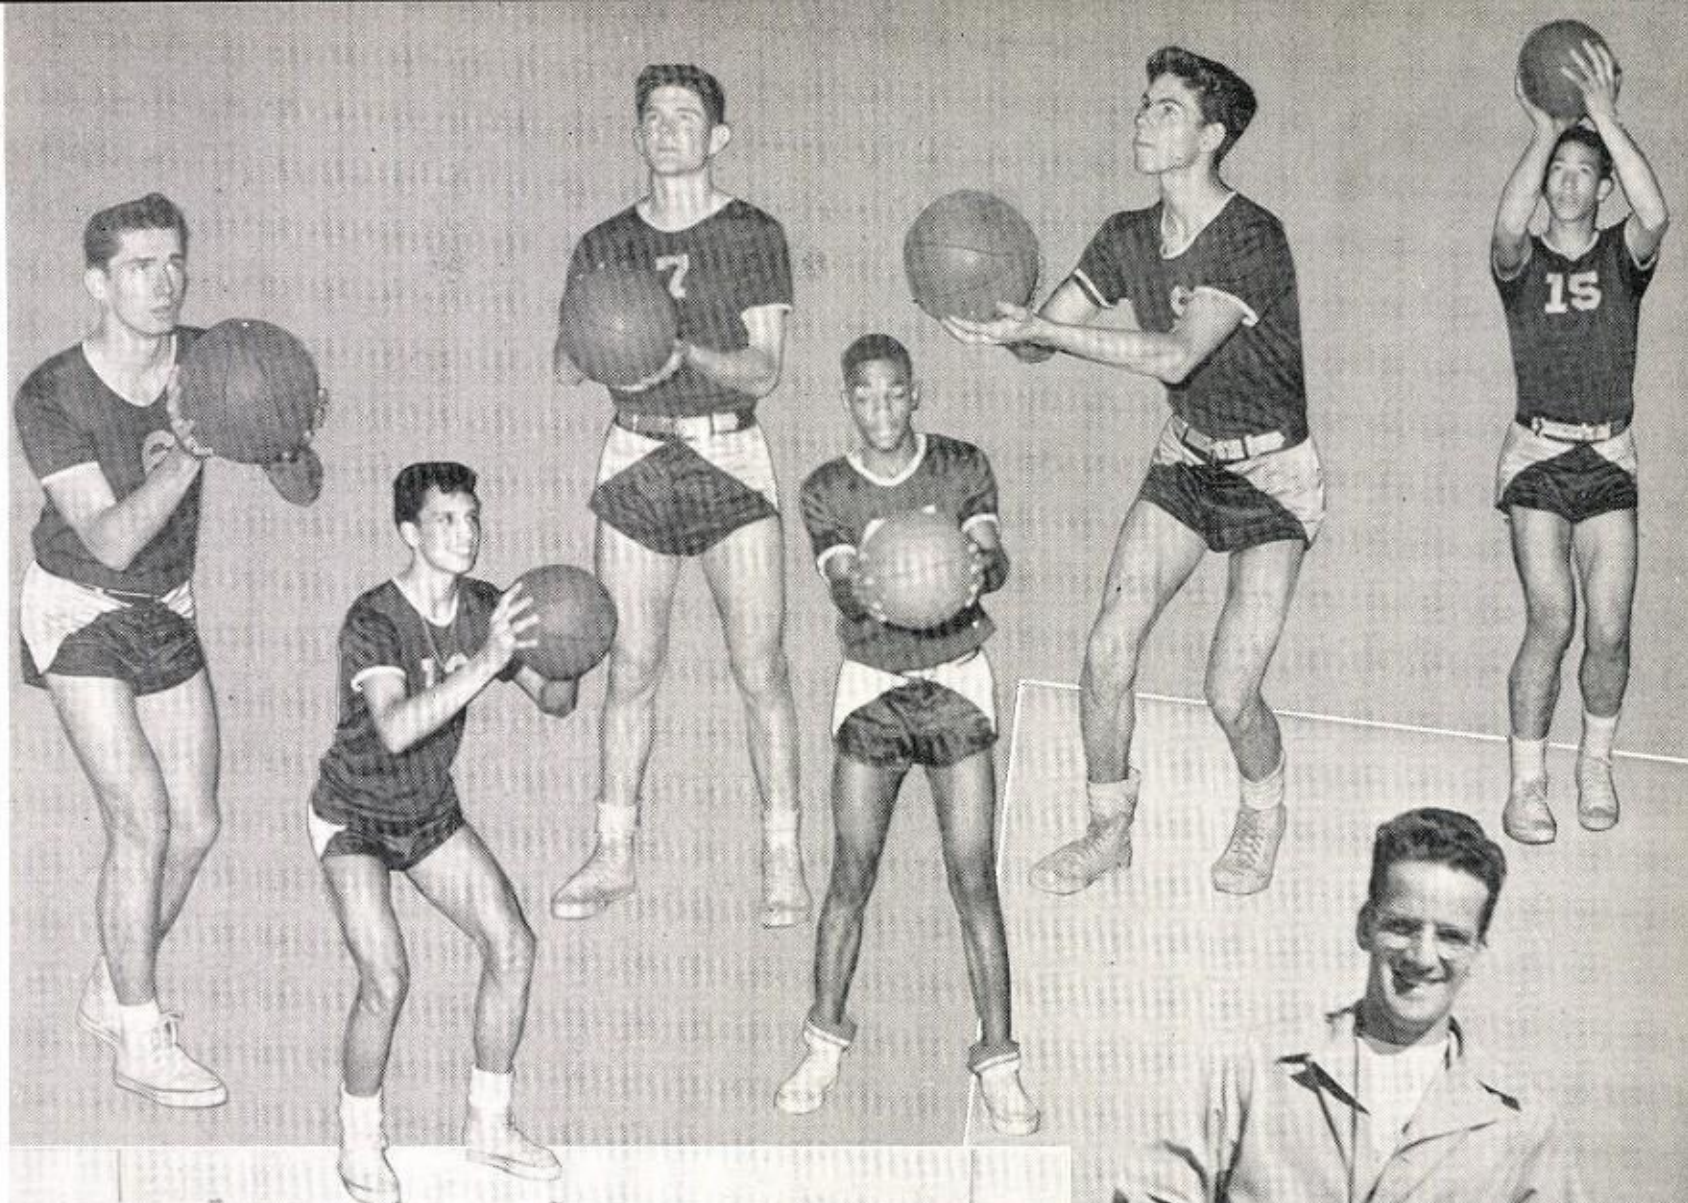

However, Fremont could not undo the 7-0 tally set by the Artisan Midgets in the first quarter at the Manual game, and Jefferson could not be out-done either; and so the small-fry finished the season minus the championship trophy.

VARSITY BASKETBALL SEASON

Fremont's hoopsters had a delightful season at the expense of their opponents. Led by Joe Simons (most valuable player) and Carey Black, Coach Mercer's cage crew played "havoc on the hardwood" to smash their way to victory in ten out of seventeen games.

Sparked by Jerry Cosgrove, Ralph Kellum, Frank Figueroa and Bob Lazarus, the Scout bucketmen downed Jordan, Wilson, Huntington Park and Glendale in practice tilts, and then went on to face their League foes.

In the first Fremont-Manuel game, Carey Black's bucket in the final seconds was the deciding factor in a real toughie. The Cards came from behind after intermission to hold a 50-48 lead over the Toilers in the remaining minutes. The Artisans tied it all up 50-50, but the deadlock was short-lived as Black's throw broke through the meshing to write "finis" for the afternoon. (turn to page 66.)

A few action shots

Varsity Basketball (continued from page 65)

Another tight squeeze was the practice tilt with Jordan's Bulldogs. Here again a dramatic ending was the game's high light.

With two seconds of play left in the struggle, and the Bulldogs leading 50-49, Bob Hawke's lay-up shot interrupted the strings to win the game for the Trail discoverers, 51-50.

The Detectors defeated both Garfield and Washington twice, and Roosevelt and Manuel once apiece.

Winning six games out of ten, the Pedro cagemen wound up in the Dixie League's third spot. Scores to remember were: FHS 71-Garfield 39; FHS 72-Roosevelt 50; FHS 71-Washington 55.

Whattaya say we build another hall of fame for Coach Jim Mercer's '52 hoop squad?

VARSITY TRACK SEASON

Fremont's '52 spikemen ran rampant over a wide track and field as they won three out of five league meets and disgraced Poly, 61-19, in a rain-shortened practice tiff.

The Scouts started the Southern League contests against Garfield's squad and really did things in by racing to victory in six events. Bob Owens grabbed the century and furlong. Bullet Morris, James Morris, and Bernard Bruce finished 1-2-3 in the 440, while Duncan, Beamon, and Augusta followed suit in the high barriers to down the Bulldogs 89-15.

Roosevelt was the next to pounce upon the Fremont oval only to find the Cards unmoved. The Red Devils took victory after victory and sent the Teddies home after defeating them.

The Washingtonians then played host to the Armstrong-men, and a one-sided battle ensued. Scout Ray Alvarado bounded to "Tape Cod" in both spots. Fleeted-footed James Morris took the 440 and Charlie Knight came through for a victory in the 880. Willie (the thing) Thurmond copped the mile; Carey Black was followed by Neil Collins and Doug Taylor in the high jump. Brown snared the pole vault and Tubbs was first in the big heave. The Pedro Boys swamped the Generals 81-23. (continued on page 69)

The Scouts couldn't get around the "Manual Labor" and despite Fremont's six wins, the Toilers trounced them $12\frac{2}{3}$ to $42\frac{1}{3}$.

A delayed Jefferson meet found Fremont's cindermen juggled and goofed up. The Democrats turned in a 96-7 tally and the season ended up with the Trail discoverers in the Dixie League's third place position.

MAKE TRACKS

Bee and Cee Track Season

Coach Irv Tanner's demolition bee track squad made things all right as they turned in four out of five possible cinder victories during the season, excluding the Poly meet, which they also won.

Undoing Garfield in the first league meet took the efforts of Wayne Coleman, Wendall Hale and Tommy Jordan.

Dismantling Washington took less effort, however, for the Pathfinders were just getting warm after stopping Roosevelt in the previous meet. Clarence Longnecker copped the century; Stapler, Smith and Johns swept the high hurdles, while Williams, Aceves, and Stapler swept the lows. Johnson won the 1320 and Zvonek got shot honors. (Incidentally the score was 78 to 8!)

The juniors went on to take Manual and suffer their only defeat at the hands of Jeff.

The Cees did all right too. Led by Harry Davenport in the 100 yard dash, Rich in the 180, Ramjo's fleet 660, and Beckstrom's strong arm, Fremont's midget speed demons turned back Garfield, Roosevelt, and Washington to gain a little prestige in the Dixie League. Honorable mentions should also go to Nelson, Gonzales, Phen, Shepard, Martinez and Patrick.

Tennis Season

Under the supervision of Coach Jim Mercer, Fremont's racquet wielders had an outstanding season. The Cardetmen upheld all of John C's traditions by breaking the majority of their opponents into small pieces and badly bending a few others.

After downing South Gate, Marshall, Compton, Jordan, and Bell in practice competition, the Red Rovers then played havoc with the Southern League racqueteers.

A few of those who kept the ball sailing were—"Invincible" Jerry Noel, Bill Newquist, Charlie Diaz, Herman Sillas and Louie Goldner. Other substantial cinders who played doubles included George Collins and Jerry Emery, and Marv Jacobson and Bob Mancillas, all of whom were "real gone."

Small wonder the Scouts were able to turn back Garfield 6-1, Roosevelt 6-1 and slide past Washington 4-3. The Pedro boys were not so successful, however, with the Manual crucial. The Toilers won the match 5-2. But Fremont walloped Jefferson 6-1 to tie with Manual for the first place spot in the Dixie League. As these humble words are on their way to the presses it is being whispered in some circles that the Mercermen have their sights set on an even higher goal(!?!)

Sparked by Ray Sanders and "tumblin" Joe Csonka, Fremont's gym squad placed second in the Southern League, and captured number two spot in the All-City Finals.

The Dixie League started with the Pathfinders doing things at Garfield High as they trained the Bulldogs $64\frac{1}{2}$ to $55\frac{1}{2}$. The spot-light for this meet fell on the hemp scalers as they grabbed all five spots in the event with Sanders, Holmes, Mitchell, Regan, and Brown placing, in that order. But the Scouts found the "ride-rough" when they tangled with Roosevelt, who rode off with a 71-49.

However, Fremont's gymnasts made a good comeback when the Knobbeites routed the Generals $63\frac{1}{2}$ to $56\frac{1}{2}$. Led by Neal Collins' two first places on the parallels and long horse, the Card muscle men sent Washington into wild retreat.

The Scouts ran into trouble when, with the removal of some of their top men, they were edged by the Toilers, 61-59, in a real heartbreaker.

The Pathfinders rolled on to Jefferson's Demos $103\frac{1}{2}$ to $16\frac{1}{2}$ (uh-huh!) for the the "pushover finale," which left Fremont trailing Roosevelt in league standing. In the 1952 All-City Semi-finals, Fremont took first spot. City finalists were Ray Sanders, Bob Clarkson, Russell Allee, Osie Williams and Joe Csonka.

Let's all remove our ten gallon somberos and salute our "gym dandy" pioneers.

DIAMONDS IN THE ROUGH

Varsity Baseball

The Pathfinder varsity baseball squad, though unable to boast of a highly victorious season, should be congratulated for sending their contenders through a rough and disillusioning grind.

Led by Phil Bach and Joe Mee on the mound, the Card horsehidrs dropped Banning 12-10, out-maneuvered Narbonne 6-3, and completely outdid Huntington Park's Spartans 5-2 in practice tilts.

Composed of top baseballers like Tommy Castle, Danny Kubiak, Phil Jones, Joe Simons, and Rudy Figueroa, and led by Coach Les Haserot, Fremont's Horsehidrs of '52 really played some swell games.

Despite the hex that seemed to be on them, the cardinal and grey Horsehidrs managed to come through with a few wins. During the season, the Card nine beat the Roosevelt Roughriders 6-0 and 4-3 in two rugged games. Coming through with a couple of wins in the last of the season, the horsehidrs took the Washington Generals 5-0 and the Manual Arts Toilers 7-1.

Tenth Grade Baseball

The Junior Horsehidrs went in and came out of the season in good standing. Under the leadership of Coach Ted Coffman, who always turns out great baseball teams, the Tenth graders stole the show from the Varsity by turning out some pretty good scores on the diamond.

Adding to the success of the Discoverers were Arsenid Armijo, Jerry Eckman, Bob Kuhn, Ray Kunze, Richard Barton, and Rueben Verduco.

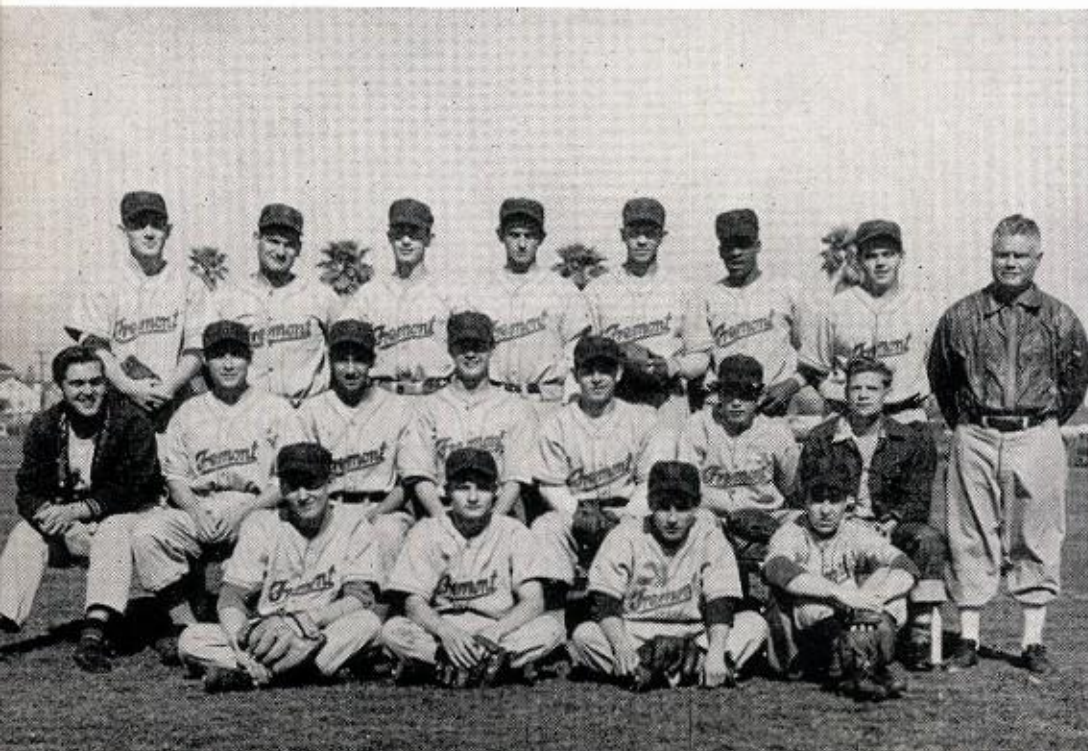

The Scout crew mangled Lincoln 13-6, Wilson 7-3, and Fairfax 12-5. These and other victories made up the season of our Tenth grade baseball squad.

MIGHTY MILLENNIALS

Nearly four-hundred students compiled the Summer Class of 1952. To carry through their theme "Peace through Progress" they called themselves the Millennials. These seniors were often seen wearing their mint green and dark brown sweaters. Their last term at Fremont was filled with many activities, such as the Senior Prom, the Millennial Melodies, Parents' Reception, Senior Banquet, and Vesper Service. The members of the Class of Summer 1952 left Fremont with many happy memories, looking forward with hope to the coming years.
